

## Welcome

The Killin Hotel is a dog friendly hotel, set within beautiful Scottish countryside, at Killin in Perthshire. Our hotel is in the north of Loch Lomond & The Trossachs National Park, near the edge of Loch Tay, making it an ideal base for those who want to explore the Scottish Highlands.

We have a well-established reputation at the hotel for providing our guests with a relaxed service, great Scottish food, comfortable bedrooms and a friendly smile. All of the guest rooms at the hotel have been tastefully decorated, many of which have wonderful views of the surrounding area. We also have annex rooms available for those who prefer more spacious accommodation.

Guests are welcome to relax in our cosy lounge and bar, where there is a roaring log fire in the winter. If the weather is nice why not sit on our sun terrace with your favourite tippie or relax in our conservatory with a good book and simply watch the world go by.

Breakfast is served in our restaurant and offers freshly cooked food that caters for all budgets and diets. Wherever possible we use local ingredients and for lunch and dinner we have daily fresh fish, seafood and shellfish deliveries along with Perthshire beef and lamb and strive to continually improve our food offering.

The Killin Estate is not only a great central location for those who want to explore Scotland but it also has many activities available to suit all ages.
